
DISTANCE LEARNING RULES

Dear Parents and Guardians,

Please be aware of the following rules for distance learning:

- All physical assignments must be completed and turned in by Thursday afternoon. A new packet will be ready to be picked up at that same time.
- Electronic assignment completion dates will be designated by each teacher.
- If a student does not stay current with their work, they will be asked to be in-school the following week.
- Teachers are available to answer questions or help with assignments from 1:00 – 3:00 Monday through Thursday.
- Parents may help the student, but please do not do the work for the student.
- If a class Zoom meeting is scheduled, the student must be on time and attend the meeting with sound and video on.
- Teachers may require tests to be taken at school on Fridays or afternoons when other students are not present.
- Temperatures will be taken before students/parents can enter the building.
- Everyone entering the building must wear a mask/face covering.

I acknowledge that I have read and understand the stated terms of the TCA Distance Learning Rules. I understand that I am responsible for ensuring that my child adheres to these rules.
