
IN-SCHOOL LEARNING RULES AND GUIDELINES

Dear Parents and Guardians,

Please be aware of the following rules and guidelines for in-school learning:

- School will start promptly at 8:30 and end at 1:00 P.M. with no lunch break.
- No hot lunches will be served. Teachers will give break/snack times during the school day. Please be sure your child brings sufficient food for the day. A limited number of snacks will be available for purchase.
- Students will be required to enter and leave the building at their classroom doors.
- Everyone entering the school building must be wearing a mask/face covering.
- When you drop off your child at school, please wait until their temperatures are taken. If it is above 100, they must get their work and take it home with them.
- If a parent is planning to come inside the building, please call first.
- School tuition can be paid with a debit/credit card if that would be a better choice for you.
- Under the current COVID-19 conditions, everyone is trying to be safe; however, parents need to understand that they are sending their students to school during a pandemic.

I acknowledge that I have read and understand the stated terms of the TCA In-School Learning Rules and Guidelines. I understand that I am responsible for ensuring that my child adheres to these rules.
